

The odds just shifted in your favor! Many job seekers feel that if they apply to enough jobs online they will eventually get a job that way. The reality is that only 6% of job seekers find their jobs online. This book will help to show you where the pitfalls are in the process and what the other 94% are doing. There is an invisible job market that is not seen by the job boards. Internal champions and employee referrals are the easiest way to find the job you love. Focus and fear are job seekers greatest adversaries. With this workbook you will learn how to:

- Uncover the hidden job market
- Build better connections with companies
- Enlist the help of recruiters and headhunters
- Focus on the important points in your job search
- Gather better information about the companies that interest you
- Use Social Media to assist you in your job search

It's time to get out of the job search lottery and onto a rewarding and fulfilling career.
