

This book from the Ultimate Board Prep is designed to be an important component of your overall preparation for one of the most stressful events in your life...the anesthesia oral boards. Its contents include, The Ultimate Board Prep Basic Strategy, recommendations on the best way to use our practice questions in your preparation, a description of what to expect during your actual board examination, the Ultimate Board Prep strategy for outlining the stem question, and two full mock anesthesia oral board questions. The mock oral board questions are designed to provide a review of the most relevant material while at the same time exposing you to some of the most challenging situations encountered in private practice and/or oral board exam rooms. Unlike many practice exams offered from various sources, our exams include full answers formulated using The Ultimate Board Prep Basic Strategy.
