

Charlotte Stoker loves Gothic literature. Julia, another student at the boarding school, asks Charlotte and her friends to see if her house is haunted, or if her mom is just going crazy. That weekend, the group of students go on a road trip to visit Julia's home in Chadds Ford, Pennsylvania. During their investigation, the students find out that Julia's mom shows strange and violent behavior. She hardly sleeps and she argues with herself constantly. When Charlotte and Natalya read a hidden journal, they discover that many years ago there was a mysterious visitor who was connected with theft, danger, and a secret room. Afterwards, Ryan and Pepe attempt to hide from the fearsome woman in the loft. She enters and throws her rage at an antique full length mirror. She mentions a crime that was committed in the secret room. When Charlotte and the girls arrive, they decide that they need to find the secret room in order to solve the mystery, and to determine if Julia's mom has lost her mind, or if she is truly haunted.
