

In the world of the near future, man travels everywhere in vehicles that hover four feet above the ground. But this brilliant new technology has inspired a super-fast, ultra-competitive sport the likes of which the world has never seen: hover car racing. It's both dangerous and glamorous, where racers are part fighter pilot, part race-car driver, all superstar. It is the hottest ticket in town. This is the story of Jason Chaser, a talented young racer who is selected to attend the famed International Race School, the brutal gateway to the Professional Circuit. There he will contest against the best young racers on the planet " on some of the wildest circuits you can imagine " all of them wanting one thing: to graduate from the Race School and get a contract to compete in the big time, the International Pro Circuit. "No one writes faster"moving adventure fiction." Publishers Weekly "From the best-selling author of Seven Deadly Wonders and Contest comes a thrilling racing adventure." - Amazon
