

There are two types of people in the world; the people who thrive on adventure and the people that fear it. The Taste of Summer is a story of adventure, self-discovery, and liberation for a young woman who took the plunge to explore a different side of the world. Join Lena, a soft-spoken, small town girl from Minnesota, as she takes a leap out of her comfort zone and moves to a beautiful medieval city in Spain for the summer—leaving behind her tight-knit friendships and her controlling boyfriend. It isn't long before she falls in love with the city, and someone else who can't seem to stay away from her. Lena's summer is filled with love, travel, and new experiences, but it will take a lot more than tapas and wine for her to find herself again after losing everything.
